GREAT NORTHERN IS HANDY SOLUTION OF TIE-UP. SAYS PALMER

in the states, has written to E. A. Berndt, chairman of the Hawaii Promotion Committee, warning the people of Honolulu against opposition to the Coastwise Law.

Mr. Palmer has been studying the teamship question from that side of the ocean and urges the people of these islands to study carefully before making up any decision to ask for sus-pension, through the fear that such suspension would drive the Matson company from the passenger business. Mr. Palmer thinks that the solution of the question of congested passenger traffic lies with the Great Northern Steamship Company) which he hopes may be induced to put one or more liners on the run to Honolulu. The steumship companies are in no mood to be trifled with, according to Mr. Palmer, for the Seamen's Act has hit them hard, and they consider that the government has interfered with their

THIRTY-FIVE BRAND NEW AUTOS COME ON WILHELMINA TODAY

Even though the mainland is yelling hard times most vociferously, this does not affect automobile sales in Hono-Inlu "so you could notice it." As proof of this statement, the Matson line: mobiles this morning.

comprised the sizable shipment. The the Allies. cars were taken out of the hold completely assembled and filled up Pier 15 to such an extent that it looked like the shipping room of an automobile factory.

Orders have already been taken for day, so that they should be gliding around the city's streets by tomorrow or next day, and making the traffic cops earn their salaries.

SALVATOR IS COMING LOADED WITH LUMBER FOR FAR AUSTRALIA

Well-known here from carrying pineapple cannery supplies to this port ers, who have a hig pineapple packing plant in Honolulu, the American cago packing firm, has been chartered Ltd., according to the Seattle Post-Intelligencer.

The boat is now carrying 550,000 feet of lumber from Everett, Wash., to Port Pirie. South Australia, and will tol bay, having taken a cargo ct cannery supplies to the north for her ownlying at the plant of the Seattle Construction & Drydock Company.
